Model DIVAR-16/XF
(Model DIVAR-8/XF will have the same outline.)

Model KBD-DIGITAL
Remote digital control panel.

FEATURES AND BENIFITS

- Video camera recording for 8 or 16 cameras. (Depending on model. See specifications below.)
- Built in hard disk 250Gb up to 3Tb.
- Very fast searching mode. High recording quality using H.264 compression. Playback in CIF, 2CIF or 4CIF mode.
- Remotes access by LAN or WAN.
- PTZ control possibility using keypad KEYD or remotely using standard PC
- Motion detection.
- Direct connection for 1 keyboard KEYD-DIGITAL, expandable up to 4 keyboards using model LTC2604/50 keyboard expansion unit.
- Embedded design resulting in lower maintenance.

The models DIVAR-8/XF and 16/XF are fully digital video recorders allowing a maximum of 8 or 16 CCTV Black and White or colour cameras simultaneous recording.

The units may record and playback at the same time without loss of any information.

The DIVAR may operate and controlled completely alone standing using the push buttons on the front of the unit or remote controlled up to 2Km away using 1 keyboard with joystick model KEYD-Digital up to max 4 keyboards by simply adding keyboard expander model LTC2604/50.

Specifications.

	DIVAR-8/XF	DIVAR-16/XF
Maximum cameras :	8	16
Construction :	Metal housing colour grey , front blank aluminium.....	
Power supply :	100 to 240VAC /50-60Hz maximum 250Watt.....	
Video input :	PAL or NTSC at 1VPTP on 75 Ohm.....	
Storage disk :	250Gb - 500Gb - 1,5Tb or 3Tb.....	
Compression :	H.264.....	
Recording speed :	1image every 10sec adjustable per camera up to 25 images per second (ips) per camera.	
Connection :	Connection to Ethernet, TCP/IP and provide for PTZ control of movable cameras.....	
Operating temp. :	5°C to 40°C and max. 90% humidity.....	
Protection :	IP23.....	
Approvals :	CE mark.....	
Dimensions (WxHxD):	430x89x435mm	
Shipping weight :	9Kg.....
